

SAVOIR BEDS

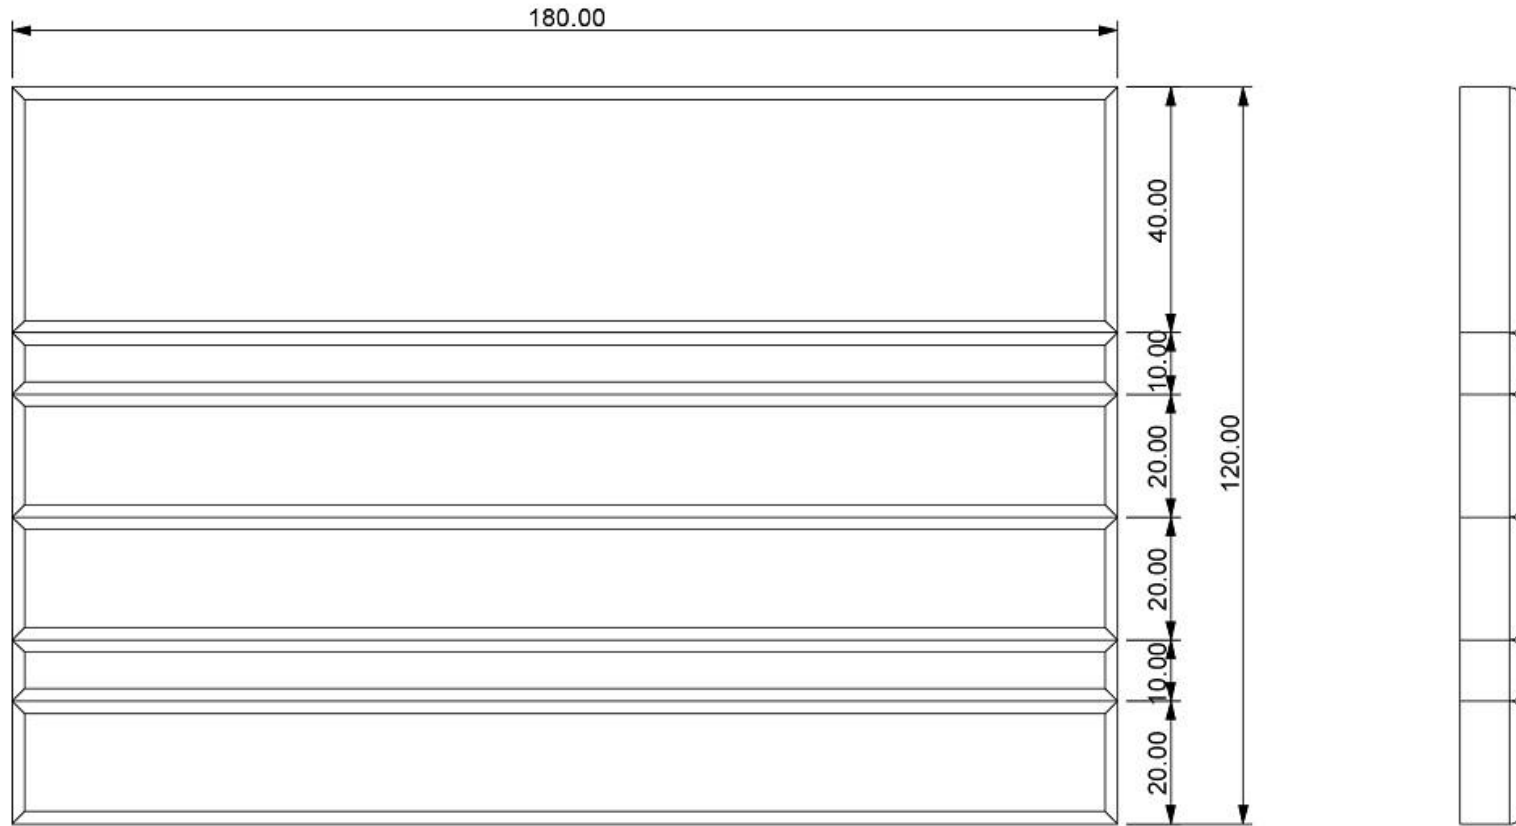

Andreas Gursky, Rhein II

Organic

Inspired by the colours that surround us every day and the serene pictures of heavenly places,
this headboard feels like you could leave it in the middle of the nature and it will just blend in beautifully.

Leather in Silk Loom:

Silver Leather/Black Silk

Hunter Green Leather/Hunter Green Silk

The result of the leather and silk weaves is breathtaking. The construction of this new material is playing with colours and textures at a totally new level.

The silks are 100% naturally dyed.
