

SAVOIR BEDS

Organic Headboard design

My organic design is sympathetic to nature. My inspiration come from the natural world using naturally grown materials that do not require pesticides and silk produced by silk worms that are allowed to transform into moths

Hand embroidered using Ahimsa embroidery silk

100% Natural linen

Walnut wood buttons

SAVOIR BEDS

Organic Headboard Design

Materials specifications

*100% Linen by Ada & Ina, colour Wen
Black linen by John England - JE 996 Black*

25mm bespoke convex American walnut wood buttons

*Peace silk embroidery threads (Ahimsa silk) from Aurora Silk:-
Luster cord : colours - 101 Brazil Red, 13 jet black (also available in 100% Ahimsa)
Luster cord is 50% peace silk. It is ideal for embroidery, & is strong and lustrous.
Natural dyes are made of plants & minerals which are now only seen in museums.
They are colour fast and vibrant and are used for hand dyeing the embroidery threads.*
